

Attention Seniors! Graduation is right around the corner!! Do you know where you're going to? Click the green button on the **More Information** page for timely tips on starting the next phase of your life.

**Do it today!**

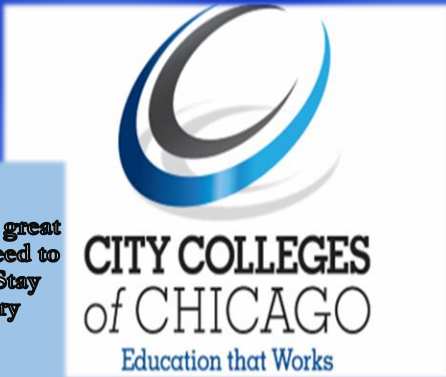

There are scholarships available to pay for school.

Check with your recruiter and the school's website to find out what types of housing and other support you can access.

Community college is a great way to find out if you need to pursue a 4-yr degree. Stay away from proprietary schools!

The types of grades you received in high school may actually speak for you. It's okay if you would rather work with in a hands-on trade.
